Biography

I am currently a PhD student in Prof. Ron Dabora's group in the Department of Electrical & Computer Engineering, Ben-Gurion University of the Negev, Be'er Sheva, Israel.

My research interests include signal processing, wireless communications & information theory.

Education

PhD Electrical & Computer Engineering Ben-Gurion University of the Negev	Oct. 2021 - Present Be'er Sheva, Israel
-----------------------------------------------------------------------------	--------------------------------------------

Advisor: Prof. Ron Dabora

Committee Members: Prof. Omer Gurewitz, Dr. Nir Shlezinger, Dr. Wasim Huleihel (Tel-Aviv University)

MS Electrical Engineering Northwestern University	Sep. 2019 - Mar. 2021 Evanston, IL, USA
------------------------------------------------------	--------------------------------------------

BEng Electrical & Electronic Engineering University of Liverpool	Sep. 2017 - Jun. 2019 Liverpool, UK
---------------------------------------------------------------------	----------------------------------------

BEng Telecommunications Engineering Xi'an Jiaotong-Liverpool University	Sep. 2015 - Jun. 2019 Suzhou, Jiangsu, P. R. China
----------------------------------------------------------------------------	-------------------------------------------------------

Publications

Submissions

[S1] Z. Tan, R. Dabora, and H. V. Poor, “**The Rate-Distortion Function for Sampled Cyclostationary Gaussian Processes with Memory and with Bounded Processing Delay**”, submitted to the IEEE International Symposium on Information Theory (ISIT), 2025.

Conference Papers

[C1] Z. Tan, R. Dabora, and H. V. Poor, “**On the Rate-Distortion Function for Sampled Cyclostationary Gaussian Processes with Memory**”, Proceedings of the IEEE International Symposium on Information Theory (ISIT), July 2024, Athens, Greece.

Awards

Student Travel Grant · 2024 IEEE International Symposium on Information Theory.	Jun. 2024
-------------------------------------------------------------------------------------------	-----------

High-tech, Bio-tech and Chem-tech Doctoral Fellowship · For excellent new PhD students with STEM fields in Ben-Gurion University of the Negev.	Oct. 2021
----------------------------------------------------------------------------------------------------------------------------------------------------------	-----------

Membership

IEEE Graduate Student Member

Personal Information

CITIZENSHIP: People's Republic of China
LANGUAGES: Chinese, English

PLACE OF BIRTH: Hefei, Anhui, P. R. China
DATE OF BIRTH: December 27th, 1996

Updated on January 20, 2024
